If you are between the ages of 10-15, hunter safety certified, and have never harvested a deer before, you are eligible to win the hunt of a lifetime for opening day of the Tennessee's Young Sportsman Deer Hunt on October 31st. A gracious landowner in Humphreys County has donated his property for this event for 30 young hunters. The private farm incorporates a variety of wildlife management practices and totals over 2000 acres of prime deer habitat. In addition, handicapped-accessible blinds are also available.

If selected, participants will draw from a number of predetermined sites that will have tree stands provided. In addition to the hunt, participants are also allowed to take part in a Friday night cookout and campout (you must provide your own camping gear). Breakfast and lunch will also be provided on Saturday.

The agency will hold a drawing and the winners will be notified by October 15th. Confirmation packets will be sent which will include a map and a list of things to bring and also area hotels. Winning hunters are responsible for providing appropriate Tennessee hunting license and must be accompanied by a non-hunting adult at least 21 years of age or older.

Simply fill out the application and mail it to the following address:
